President's Message 1987 Open Championships

Being a relatively young sport many Championships have scored "firsts" of one kind or another, and so it is with the staging of the 1987 Titles in Alice Springs - more or less the geographic centre of Australia.

For many of us it will be our first opportunity to see the natural marvels of Ayers Rock and the Olgas and if the competition lives up to the standard we have come to expect what a truly memorable experience it will be for all concerned.

The AWSA recognises that the Northern Territory Women's Soccer Federation (and in particular the Alice Springs contingent) have worked diligently over the last 12 months to ensure that every contingency has been covered to ensure a top-notch carnival.

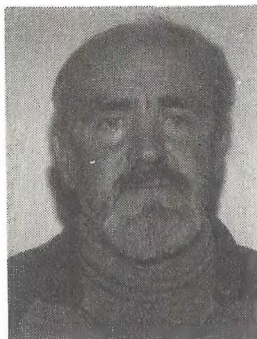

I hope all competitors in the 14th National Open Titles enjoy their games as much as the spectators undoubtedly will. I doubt, however, that the famous "Territory hospitality" will extend to allowing any other State to come near them for the March Past!

Best wishes to all,

ELAINE WATSON
President.

**Welcome from the Northern Territory President
and Co-Ordinator of the Championships**

Mr Arthur Poole

On behalf of the Northern Territory Women's Soccer Federation it is with a feeling of extreme pleasure that I have been given the opportunity to welcome all players, coaches, managers, referees, spectators and officials to the 1987 Women's Soccer Association National Championships.

These Championships are a major annual event in the calendar of the Australian Women's Soccer Association and can only add to the promotion of the game.

My sincere thanks to all the organising committee for their time and effort over the past twelve months.

The Northern Territory Women's Soccer Federation wish to thank all sponsors - especially the Public Service Credit Society as our major sponsor - the N.T. Government for assistance financially and to the Alice Springs Town Council for their efforts to make the Anzac Oval Ground one of the best playing surfaces for the benefit of all.

With the back drop of the MacDonnell Ranges the stage is set for all to see and participate in some exciting soccer.

So let the ball roll.

ARTHUR POOLE
Co-Ordinator.

Executive Director's Message

With the hosting of the 14th National Championships in Alice Springs, the Northern Territory will celebrate its twelfth year of participation in national competitions. As host State, I am sure that the N.T. team will be determined to take out the championship.

The question of championship format will again be discussed this year by State delegates and it is proposed that the length of the tournament will be shortened with a view to minimising costs and leave from work or school. If you have any suggestions regarding the championship format then please discuss these with your State officials.

The AWSA intends to send its national team to the 4th World Women's Invitation tournament in Taiwan later this year and it is also hoped that we will host the 3rd Oceania Cup in Queensland next July. Unfortunately, we do not have any further information on the staging of the first World Cup for women apart from that it could be played in late 1989 or early 1990 in an Asian country.

The national squad which will be selected from the 14th Championship will be eligible for selection in the Taiwan and Oceania Cup teams and I wish all players best of luck in their endeavours to attain national selection.

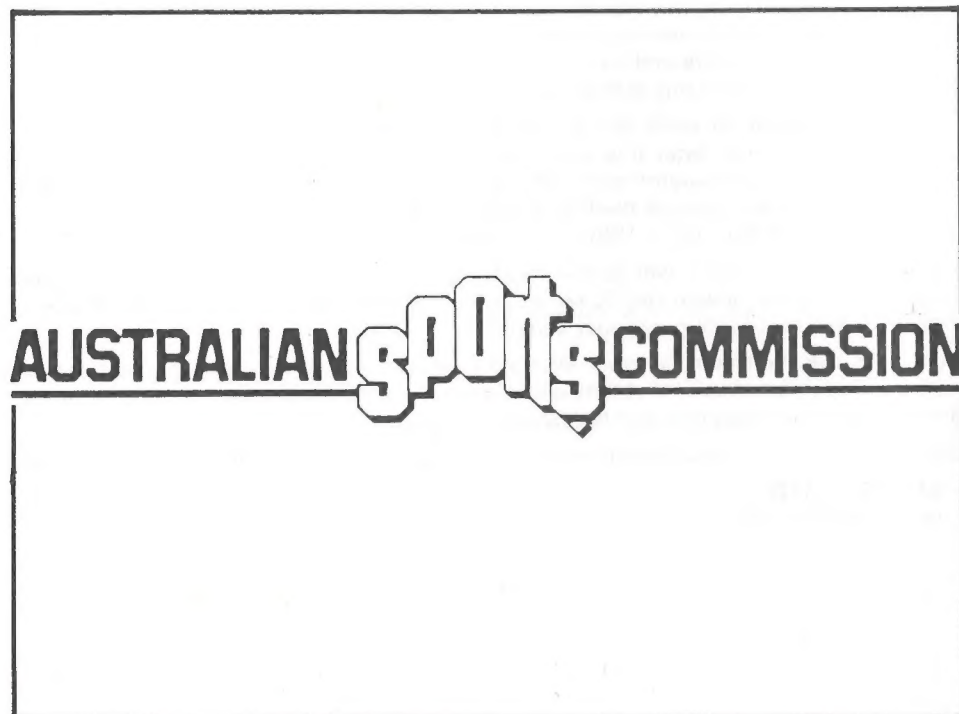

No doubt the Northern Territory Women's Soccer Federation will provide a well organised tournament and that they will display the kind of spirit that helps to enhance their image of competitive and hospitable Territorians.

Good luck to all participants and officials - I hope you have an enjoyable tournament.
